“ Have so many wonderful childhood memories with Tia Fina. 😭 from taking me to school in the mornings, pretending I was sleeping when my parents would go over so that I could stay the night at her house. All the fun weekends I had hanging out with everyone in her home. Her insisting on braiding my hair, extremely tight. Having professional photos taken of me so she can keep them for memories. I can go on and on. She will be extremely missed, but those memories will stay with me forever. ❤️💔😞
