

Debra Lynn Loughry

April 10, 1955 - March 8, 2023

Born in Sebastopol, CA on April 10, 1955 to Velton and Freda Crownover. Debi was known for her huge heart and infectious smile. Having lived in Sonoma County most her life, Debi worked as a server in many local eateries. In the 80's while working at Rick's Restaurant in Coddington Mall she met Rick Jewell, who a decade later became the love of her life. Having left this earth too soon (2007), she is now reunited with him in heaven. After battling ovarian cancer for almost 2 years her earthly body was tired. She passed away peacefully at home surrounded by loved ones the evening of March 8, 2023.

Debi is survived by her mother Freda Crownover, brother Mark Crownover (Barbara), her beloved children Shannon Lazzarini (Dean), Brad Bergman (Joline), Shane Loughry (Paige), step sons Brandon and Matt Jewell, as well as her 7 grandkids and 1 fur granddaughter.

Debi found comfort in her relationship with God as well as her spirituality. Her love and support for those around her shows in the people she kept close. Please join us in wearing PURPLE to celebrate her life April 2nd at the Windsor Community Center from 12pm-3pm. In lieu of flowers please donate to Sutter Hospice or Ovarian Cancer Research.
