

Florence J. Maniscalco Wallace

January 31, 1954 - February 12, 2022

Florene J. Maniscalco Wallace, age 68, loving daughter, sister, and mother of 3 passed away in the early afternoon, February 12th of natural causes. She is survived by her 3 daughters, Falon, Jenna, and Julie, who all agree she would be truly pissed by this development.

Florene was born in 1954 in Buffalo to Vito Maniscalco and Julia Maniscalco (Propis). She grew up surrounded by a large and rambunctious, Italian family. Eventually she followed them to Sonoma, California. There she lived a life as passionate and as loud as she was, with unabashed love and sincerity to her friends and family. She loved big family meals, all animals, and lost souls. She loved to cook for people, grow plants, and create art. People will reminisce about her stylish sweaters, amazing laugh, and fierce love of her daughters. She will be missed, but not forgotten. You will live on in our hugs and kisses.
