

## Frank Steven Zimmermann

February 10, 1941 - May 7, 2024

Frank Steven Zimmermann, passed away peacefully on May 7, 2024, in Santa Rosa, CA at the age of 83. Born on February 10, 1941, in Manila, Philippines, Frank led a life filled with diverse experiences and numerous accomplishments.

Frank received his education in San Francisco, graduating from George Washington High School. He went on to earn a degree in Hotel and Restaurant Management from the San Francisco City College. His education laid the foundation for a successful and varied career.

Throughout his professional life, Frank contributed his skills and expertise to several esteemed organizations. He worked at Stanford University, United Airlines, and Kaiser Foundation Hospitals. Notably, Frank developed a computer system for food services at United Airlines, an innovation that greatly improved efficiency and service. He also worked on the food service system at Kaiser. For his exceptional work, he received the Award of Merit from United Airlines. Later in his career, Frank became a successful entrepreneur, running his own vending and catering company.

In addition to his professional achievements, Frank served his country in the Army Reserves for six years, demonstrating his commitment to service and duty.

Frank was preceded in death by his parents, Frank and Ilse Zimmermann. He is survived by his beloved wife, Laurel Gail Zimmermann, and his son, John Robert Zimmermann.
