“ *Very sad to hear of Jeff's passing. I've known him about as long as any other friend- meeting in the neighborhood (Rouge) when we weren't quite teenagers yet. Even figured out that our sisters went to school together! We remained friends who sent a joke or a jab every now and again. I'll miss the little bugger!! Pretty good chance that he's making heaven much more interesting!! RIP Brother.*

“ I will miss that Rogue River Attitude, the sweet smell of tobacco  
burning, sitting next to you in the cart.  
I will miss you trying to pay me in \$0.23 casino vouchers, and things  
you said like, "Not bad for a munchkin or Nice shot, buzzard."  
But most of all, I will miss the big warm hugs you gave me every  
time I saw you.

“ Rob was a one-of-a-kind human being. He never forgot where he came from (Michigan) or the people that shaped his life. He loved and was extremely proud of his family. He was the kind of friend who wasn't afraid to give you "tough love" one minute and then give you a hug and his last dollar if you needed it. He worked hard and successfully built and maintained his own business. He played hard too - he never missed an opportunity to celebrate and enjoy whatever he was doing with family, friends or complete strangers (who would ultimately become his new friends!). A man does not get as many nicknames as Rob had without having a unique character and unforgettable impact on those around him. I feel fortunate that our paths crossed and we became friends. For those that knew him, his light and spirit will continue to shine.

“ Rob/Corndog, was a longtime member at the Fairgrounds Golf Course, we played rain or shine enjoying every weekend that we had the opportunity to play. He had the love of the game, as all us golf nuts do, to just enjoy playing no matter how we may be playing that day and it showed. We all have our memories that we will keep dear to our hearts, and he'll not be forgotten. I'm glad to have called him a friend.

“ Rob/Spiffy was one of the group of golfers that played together every Saturday! All of the crazy things he did on the golf course and hitting a hole in one on Foxtail South course was one of the highlights! God Bless him and his family! He will be missed!

“ We grew up a few houses from each other. He and I were always getting into something, whether it was collecting worms after a rain or putting on a "show" in my backyard. He introduced me to a snack he loved - bread, butter and sugar! I have some wonderful memories of our childhood together.

*Energetic, gregarious, and helpful, Jeff was a childhood friend who could be counted on to bring excitement to school, play or an entertaining night on the town. We had great times and quite a journey at River Rouge High School, especially in JROTC, with classmates like John & Mark Usztics, Mickey Watkins, Elbow Stevenson (RIP) Mike Rayburn (RIP) and Kenny Hubbard (RIP).*

*After my initial tour in the Marine Corps, I returned to River Rouge (1977) and bought my first car from Jive for \$100. A clean white Galaxy 500 with a flawless body and a great engine. Jive had taken great care of that car and was proud of its condition. Unfortunately, many drivers in "The Rouge" (like Kid Manual Reyes) were not as professional drivers as myself and Jeff. Within a several days of buying the car I had few dings, and within several months the car was so banged up that I had to climb through the door window to get in. Jive was quite disappointed in the deterioration of his previous gem, but he always enthusiastically helped me keep the car running smoothly and the engine purring like a kitten.*

*Jeff was truly a great American who, along with his brothers Tom, Robert and Scooter were always willing to help a friend and made growing up in River Rouge an exciting adventure. Jeff will be truly missed by his many childhood friends especially Rich Kerns, Pete Krasun, Andy Martin, Chuck Richards, Todd Logsdon, Rich Laveque and Ernie Johnson who all send their condolences.*

*God Bless Jeff Robertson and may he Rest in Peace.*

*Thank you Jive for all the joy and happiness you brought to the world*

*Your friend  
Steve Merrill*
