

Keila Andrea Munguia

July 9, 1999 - July 7, 2023

Keila Andrea Munguia, a devoted daughter, a dedicated friend, a loving sister, and a vivacious soul, was ripped away from us in a fatal car accident at the age of 23, only two days before her 24th birthday. Keila knew how to light up the room wherever she went. Whether it was her memorable laugh, her infectious smile, or sassy nature, she left a mark on all the lives she touched.

On the morning of July 9th, 1999, Keila emerged into this world by parents Tony Munguia and Kimberly Ferguson. She was raised in the heart of Northern California. After graduating from Windsor High School, Keila successfully attained a Medical Assisting Certificate, Phlebotomy Certification, and AS in Psychology through the Santa Rosa Junior College. Meanwhile determined to accomplish her goals, Keila worked at Solage in Calistoga where she enveloped herself in a community her presence leaves an unforgettable impression on.

Keila freely gave herself to those around her with a generous spirit, a passionate heart, loyal commitment, and thoughtful consideration. She possessed a remarkable ability to illustrate her love by dedicating time and selflessly sharing her life. Bold, animated, courageous, and vibrant, her effervescence brought an illumination that still gleams in the eyes of those fortunate enough to have known her.

Keila's memory is rooted in the hearts of parents Tony and Kimberly, older sisters Yesenia and Casandra, little brother Nico, and survives through the remembrance of countless friends.
