“ I'm so sorry to have just learned of this loss. I met Marty about 35 years ago while working with him at the City of Tempe, Environmental Services Department. He was a good friend and mentor. He very much loved his family and the simple qualities of life. A particular memory I have while we were hanging out at a bar in downtown Tempe, Az, is of him singing (with that unique voice of his) the John Mellencamp song Cherry Bomb but changing the words a bit to say, the "6th East Bar". I still sing that song his way. I've missed Marty since then but have never forgot about him. Much love to Marty's kids. Your friend Dennis

“ May your happy memories soon outweigh the sadness you're feeling. Marty brought laughter and joy just with his smile. I met him through my Brother Gary and he am so happy I got to know him. I will certainly miss him and know that the stars are shining brighter now every night because of his presence ✨ Jeanine Mack Robbins
