August 9, 1938 - June 21, 2026

Born August 9, 1938 in the Bronx, New York, to John and Julia McHugh, Maureen was third in a family of six. She remained close with her family throughout her life. With her husband Ed, she raised three children in Nanuet, NY: Barbara, Edward, and Susan. Maureen began playing tennis at age 35 and continued to play until late in her 70's. She was an excellent player and could beat her husband much to her joy and his consternation! Tennis and family vacations to Sarasota were a big part of her happy family life. Maureen's family grew to include eight grandchildren and four great-grandchildren. Maureen passed on June 21, 2026. Her beloved husband Ed passed last year on November 26, 2025.
