

Pamela Lynn Allbritton

July 29, 1958 - November 27, 2023

Allbritton, Pamela Lynn Blocher, Passed away on November 27, 2023 in Santa Rosa, CA. She was born July 29, 1958 in Sculthorpe England, UK where her father was stationed while serving in the U.S. Airforce. Pamela was raised in Sonoma County, graduated from Piner High School in 1976. Pamela married her high school sweetheart Raymond Allbritton in 1976. They moved to Kelseyville, CA in December 1980 where they raised their family until returning to Santa Rosa in 2000. Her spiritual life was nourished at Bayside Church in Santa Rosa, where she was baptized and a valued member. Pamela's love for baking was not only a personal passion but also a professional calling. Her business, Pam's Candy, was a testament to her creativity and entrepreneurial spirit. Her handmade candies were not just a staple at local craft fairs, but tokens of her love and dedication to her craft.

Pamela's zest for life was contagious. She "loved having a good time," a trait that resonated in her everyday interactions and gatherings. Her presence was a bright light, bringing warmth and laughter to those who knew her. She always had a special place in her heart for her beloved pets as well. She leaves behind a loving family who will miss her dearly: her parents Johnie and Joan Blocher, her devoted sons Adam Allbritton, and Cory Allbritton and his wife Danielle. Her grandchildren Riggan and Trexton Allbritton will miss their grandmother's loving embrace. She is also survived by her sister Sherri Pantazes residing in Greece, and her brother Bruce Blocher residing in Lake

County, and many beloved nieces and nephews, all of who's lives were enriched by her love and kindness.

As we bid farewell, we celebrate a life well-lived, filled with sweet memories, just like the candies she so lovingly made.

A memorial service will be held [January 5, 2024 2:00 p.m.], at [Bayside Church, 3175 Sebastopol Rd., Santa Rosa, CA 95407].

“ I was a very young guy at the age of 16 when I moved to Santa Rosa from the island of Oahu Hawaii and I was thrown in to piner highscool and on my first day I was settled next to this blond with the prettiest blue eyes I was to shy to say anything to her but one day she asked me if I would like to go to a party that she was having and I said yes I would really like that so that coming Saturday I went to her party and come to find out it was her sweet 16 birthday party and I fell in love with her that evening but I don't think her dad was to keen on the idea but in time he began to expect me and I was at her house almost all the time until at the age of 17 I quite school and joined the US Marines where I spent the next 4 and a half years and in that time pamie and I got married and after I got out of the corps pamie and I moved back to Santa Rosa and I went to work for Union 76 at the geyers as a equipment operater and her and I moved to Kelseyville where we raised two great Young men and we all shared a great life there, so you would say that she is my highscool sweetheart and a piece of my heart is now missing but she won't be forgotten and I will always love you pamie
