“ My husband and I share grandparent blessings with Salvador and Gloria. We know how loved he remains within the family and will be remembered and missed. We will be sure to remember Salvador with our granddaughter Mariah. We know she loves him and want her to know we love him too. Although we were not all together beyond special occasions Mariah reflects out to all of us the happiness he contributed to her early years.

“ *My heart goes out to the Plaza family. Salvador was a great person,  
always in good spirits and a great father to his kids. Everytime you  
went to his home you felt like you were with family or you were  
visiting an old friend, he was a father figure and he will be missed.*

“ Una de las memorias que tengo de el son todas. Siempre muy alegre y muy chistoso que era mi tío. Nunca lo mire enojada. Siempre de buen humor y no fallaba que me haría reír. Te voy extrañar tío y nunca te olvidare. Saludos asta el cielo.
