

Sherri Florez

September 8, 1963 - December 5, 2025

Sherri Lynne Florez, age 62, passed away unexpectedly on December 5, 2025, in Santa Rosa, CA. She was born on September 8, 1963, in Chico, CA, and grew up in Sonoma County, a place that remained close to her heart throughout her life.

Sherri was a lifelong learner with a deep love for education and languages. She attended Sonoma Valley High School and went on to earn her Bachelor's degree in Education from Sonoma State University. She later achieved her bilingual teaching credential, a testament to her remarkable ability to learn and speak foreign languages—an ability that truly set her apart and enriched the lives of countless students.

For 30 years, Sherri dedicated herself to the Windsor Unified School District as an ELD (English Language Development) teacher. Her career was marked by compassion, patience, and an unwavering belief in the potential of every student. She took great pride in helping her students find their voices, build confidence, and succeed in a new language and culture.

Outside of the classroom, Sherri had a wide range of interests and passions. She loved languages, history, and nature, and she delighted in crafts and creative pursuits. She was a devoted fan of Star Trek, and her imagination was sparked by dragons, fairies, and the magic of the Renaissance Faire.

Sherri is survived by her two beloved daughters, Alexis and Linda; her mother, Mary Jane; and her siblings, Kyle and Sama. She was a devoted mother, daughter, and sister, whose love, guidance, and kindness will be deeply missed by her family and all who knew her.

Family and friends are invited to attend a memorial service to celebrate her life on January 10 at 11:00 a.m. at Windsor Healdsburg Mortuary & Crematory, 9660 Old Redwood Hwy. Windsor, CA.
