

## Urbano Barragán Gutierrez

May 25, 1954 - January 4, 2024

When he was younger, he loved to play basketball for the pueblo and loved to dance "de viejo"

He only had up to 3rd grade education, but that never stopped him from doing anything.

Born in San Francisco Cahuacua, Oaxaca, Mexico. Very poor childhood, so he migrated to USA in 1990 with his wife for a better future. They had 5 sons - Eloy, Saul, Gabriel, Adan, and Jesse.

Loved futbol and basketball, his teams were Lakers and Cruz Azul, but he loved all Bay Area teams.

He also had a passion for gardening. He loved teaching his sons and grandkids about gardening.

He always put his family ahead of anything.

He was the hardest worker we know. He spent +20 years at Geyser Peak Winery, then worked as a landscaper until cancer made him retire.

Survived - 5 sons, 2 grandsons (Kahlit and Mateo), 3 granddaughters (Alexia,

Gigi, and Vanessa). One brother (Atanacio Barragan), 3 sisters (Carmen, Crisanta, and Juventina Barragan).

Family and Friends are invited to attend a Memorial Mass TODAY, Friday, Jan 12, 2024 at St. Rose Catholic Church, 398 10th St, Santa Rosa, CA 95401
